'JOCK'S WAGGIN' TONGUE

Vol. 4 Thur Nov. 7th. No. 42

Jock McIntyre, Editor

We are not just sure but we believe that the kids had far more fun clearing the street after Halloween than they had when blocking it at least they got out of a half a day of school and had a larger audience.

There are no better batteries for either your car, radio, or light plant than Globelite and our stock is fresh and complete.

Our greetings, salutations good wishes and stuff goes out to this weeks bride. May health wealth and happiness all be yours Agnes.

You owe it to yourself to investigate the efficiency and economy of the Coleman oil heaters. They are backed by the reputation of the Coleman Company and will never become orphans.

It seems that Glenn Racher had a birthday or something the 5th. At least he said he was a quarter of a century old.

Our stock of used cars offers anything from low price to luxury. A 1931 Ford A Coach, a 1934 Chevrolet DeLux sedan, a 1935 Chevrolet Sedan as well as others.

Barney and Fred Watts report that they are not going to forgive the police for returning the fire arms to aliens.

We have two good used heaters, so why not heat that garage this winter? We have 2 good used cook stoves too.

You should buy War Saving Stamps and be glad you can.

If you are thinking of buying a new coal heater you should see the Enterprise they are tops in coal heaters and the best in todays market by far.

GENERAL NEWS

Elsie McLean was a Sunday visitor at the home of her parents Mr. and Mrs. Charlie McLean.

Eddie and Mrs. Ohieser are living on the farm of Mr. Bozarth for the winter months.

The 2nd Battallion Calgary Highlanders request the presence of Mr. and Mrs. John Public, Master and Miss Public at their Military Ball in Vulcan Nov. 11.

Bill Fraser and Mr. Jordan returned from Red Deer for a week end. They are the only boys from this district who were enrolled in the first camp at Red Deer.

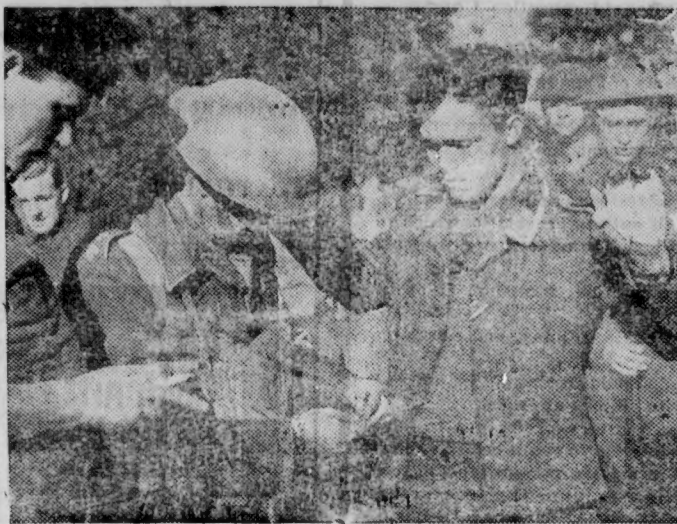

Mr. and Mrs. Bozarth have moved to town for the winter

The Local High School Basket Ball Girls wish to extend an invitation to every one to come to their dance on Friday Oct. 15. They guarantee the best dance of the season. This is not only a dance but there is a program in the forepart of the evening that is really good, and no fooling! It is understood that some professional talent has been imported as well as local talent. This concert promises to be a wow of the season with songs, skits, dances, and what have you.

As a novelty attractions they offer Waltz Prizes, Spot Dances, Door Prizes and Novelty Dances. Support these girls who have the initiative and the leadership of Mr. R. Iman their coach to go ahead and try to help themselves.

The regular monthly meeting of the Champion Ladies Social Credit Group was held at the home of Mrs. F. G. Alecock on Tuesday November 5th. A very interesting extract was read by Mrs. Dawson from Mr. Blackmore's "Money." Mr. Norman Patterson gave a report on the Constituency Convention held in Vulcan last month.

Captured German Is Searched

With his hands up, a German airmen submits to the search of a British interrogation officer. He was one of a crew of five shot down in a Heinkel 111 on South-East coast of Britain by a British Hurricane fighter.

Pranksters Given Surprise by R C M P

Halloween was celebrated as according to schedule in Champion by youngsters and pranksters. Polling booths, cook cars, wagons, vans, farm machinery, signs, barrels, etc and blocked the main street. Cars were put out of commission for the time by letting the air out of tires.

The RCMP happened to be in town that evening and some of the pranksters forgot themselves and respect due government property so deflated the tires.

Next morning the same car called at the school and two minutes later the students paraded down town and pushed back to their original positions the machinery, etc.

At first it was fun but it began to get tiresome and the students were badly taken back when they learned that the school hours wasted by the morning labors would be made up at recesses.

Now the only signs left is the school toilet in main street and two water tanks full of rubbish one in front of the Municipal office the other in front of the Chronicle.

The children and ladies in disguises children had their quiet manner of donning masks and calling at the houses for treats. They were very much amused at some of their hosts not knowing them.

A certain party of prominent ladies of our town called on another prominent business man. After receiving their treats offered to shake hands with their donor. He expecting they were children and up to usual pranks admonished them in a suitable manner of course to the amusement of all except himself.

Since then many are wondering WHO they chased out of their back yards in the wee hours of the morn.

About 14 members of the Ladies Aid motored to Camangay on Friday where they were guests of the Camangay Ladies Aid a most pleasant afternoon was spent with a delicious lunch with Halloween decorations was very much enjoyed.

Miss Evelyn Kramer is home in the week end.

Mrs. Charles Taylor and Shirley were Lethbridge visitors.

Miss Margaret Carlson and Mrs. John Carlson Sr. also Mr. and Mrs. Norman Carlson visited Lethbridge.

Peter Dawson Alberta Speaker

The Honorable Peter Dawson M.L.A. for Little Bow, has again been chosen to serve in this Legislature in the same capacity as in the last namely as the Speaker of the House. The decision being made at the Social Credit Caucus held this week.

Rumors were circulated in unofficial circles last week to the effect that Mr. Dawson was one slated with two others, out of which would be chosen to fill the place made vacant by the death of the Hon. D. B. Mullen. This was only a rumor as his position has been confirmed by Edmonton.

N P A M Hold Public Parade

The week end of the 11th is going to be a busy one for the local militia with a Remembrance Parade in Nanton on Sunday at two o'clock. The boys will march in full attire from the skating rink to the cenotaph where they will observe the traditional two minute silence in honor of the boys of the last war who made the supreme sacrifice. A short service will be said and the boys put through their paces.

A piper band will be in attendance. The C. O. asks that all the boys be there on their first public parade.

On November 11th a parade will be held in Vulcan at 10 o'clock. There the boys will go through much the same performance as at Nanton. In the evening all will attend the Military Ball in uniform.

Save and Beat Hitler

We were more than mildly interested on Friday when visiting a local Bank we saw a little girl, so small that she could not reach the door clasp, depositing money to her credit, part of which went towards buying war saving stamps. This was not in Champion nor is this article a build up for support of the Banks but we feel that it has an implication of interest to all.

Due to the depression and before the war there was a feeling that the state owed everyone a living. This has almost been forgotten by the desire of to preserve freedom but it can still be said that there is a necessity for people using good judgement in the spending of money. It is important to save for rainy day, means sickness or an economic depression.

The spirit of this little child, aged 5 and a half years of going to the bank the first day of each month with the money given by daddy is a wholesome and worth while object lesson. This little girl is going to have a little nest egg when she grows up to be a maiden and need a little pin money. On the average she deposits a dollar per month. This is \$12 per year, with the interest will amount to considerable when this little girl is say 18.

This little girl's decision to save and use her money in buying interest bearing Government securities is one which should be copied by every reader. No matter what we earn we can save a little each month and lend it with interest to the Government.

WHAT money? Why—the money in the banks! The money carefully put away by you and your neighbours in savings accounts. The money you *could* have spent today but wanted to keep safely against some future need. The businessman's money for use in his normal operations. There are more than 4,846,000 bank deposit accounts, savings and current. Within these two classes the great majority of deposits are small or of moderate amount. ¶ But you'd be wrong if you assumed from this, that the rest of the deposits are owned by the few! Quite the contrary! The railways, for instance, have deposits in the chartered banks—and that indirectly includes the whole population of the Dominion. The trade unions have deposits. Millions of policy-holders share in the ownership of insurance companies' deposits. ¶ And don't overlook the deposits of wheat pools; farm co-operatives; churches; municipalities and municipal hydro commissions, school districts; school children's penny bank savings deposited with the chartered banks; and commercial and mining corporations with very wide lists of shareholders, large and small, all over Canada. Truly, money on deposit in Canada's chartered banks is owned, *in fact*, by you and your fellow-Canadians.

In war, as in peace, Canada's Chartered Banks maintain, uninterrupted, their useful services — safeguarding depositors' funds; facilitating the nation's business — looking forward to peace with freedom as the only sure basis of enduring prosperity.

The discolouration on the germ end of wheat grains, commonly called "black point" or "black tip," is unusually common in this year's crop. The term "kernel smudge" has been adopted by plant pathologists for this disease to avoid confusion with a less conspicuous and less common disease which they call black point. Kernel smudge is a fungous disease, and may be caused by at least two different fungi. One of them (*Helminthosporium sativum*) is a dangerous parasite, being a very common cause of seedling blight and root-rot of wheat. Incidentally, it is capable of attacking roots, leaves and grains of barley.

The fungi which cause kernel smudge are probably present in all wheat fields in western Canada, and the air contains an abundance of spores, especially in late summer and in the fall. Outbreaks of the disease such as that which occurred this year must, therefore, be due largely to favourable weather conditions. It appears that the new rust resistant varieties are more susceptible than were the old standard varieties such as Marquis.

There is, at present, no way of controlling or preventing kernel smudge. Diseased seed may produce a crop free from kernel smudge, and the crop produced from disease-free seed may contain many discoloured kernels. Since, however, one of the fungi involved may cause seedling blight, if "smudged" grain is used for seed it should be treated with an organic mercury dust.

Dr. F. J. Greaney, Associate Plant Pathologist at the Dominion Rust Research Laboratory, has consented to prepare a more complete discussion of this problem for publication in the next issue of the now well known, semi-annual "Seedtime and Harvest."

Second Compulsory Camp Opens Nov. 22

With the second 30-day military training period scheduled to commence November 22, notices have been issued by the registrars of the thirteen Divisional Boards of the National War Services Department to single men of 21 and 22 and a small number in the 23 yr. old class to report for medical examinations.

In making this announcement Major General L. R. Le Fleche, Associate Deputy Minister, stated that the instructions make it clear that all medical practitioners in good standing throughout Canada have been appointed examining physicians by Hon. James G. Gardiner, Minister of National War Services, and that all examination fees will be paid by the Department. At the same time, he stressed the fact that each man must sign the medical examination form on which appears the doctor's report on his physical condition.

Young men who have enrolled in the N.P.A.M., if notice to report for medical examination should be received by any of these men, they must immediately inform the registrar
